Liquor Stores Closed for Thanksgiving Day, Monday October 12

NLC Liquor Stores will be closed on Monday, October 12 for Thanksgiving Day. Regular store hours will resume on Tuesday, October 13.

Some independently operated Liquor Express locations may remain open for the holiday. Visit our website at <http://www.nliquor.com/stores/liquorexpress.asp> for contact information for the location nearest you.

Stop by your local Liquor Store and pick up something to share around the dinner table this weekend. Check out NLC's new "Make Friends With Wine" program. Look in store for shelf flags which will assist you in choosing the perfect wine to match your meal.

Help NLC "Go 4 Green" by using re-useable bags when shopping at the Liquor Store. Until November 15 purchase any four bottles (750ml or larger) and receive a FREE NLC re-useable bag!

Enjoy the long weekend with family and friends and please don't drink and drive.
