Medoc										
15396	Potensac	Medoc	Cru Bourgeois Exceptionnel	750	\$39.95	16.5+			88	91
Fine tannins give this wine density and structure. A high proportion (69%) of the two Cabernets has boosted the concentration and given the wine impressive weight for the vintage. It's an excellent success for the year. (WE)										
St. Estephe

Powered by its structure and texture, this complex wine is dense, structured and firm. Plenty of dry and taut tannins dominate at this stage, but it is also full of fruit. The wine will age over many years while not being one of those vintages that will mature forever: the fruitiness will see to that. (WE)

This wine brings out the tannic side of Saint-Estèphe. However, the 2013 is less wood-laden than some previous vintages from this estate, allowing more room for the fresh fruits and ripe tannins. The wine therefore has good potential. (WE)

This gorgeous Sauternes is still really tight, with racy floral and green plum edges along the core flavors of white peach, mirabelle plum, melon and green fig, but there's stunning length, with a rapier of minerality that matches the sweetness step for step on the long, quinine-infused finish. 15141	La Petite Eglise	Pomerol	2nd Wine of L'Eglise Clinet	1500	\$120.00	17				
Pure Merlot, the second wine of L'Eglise-Clinet has a very pure bouquet with strawberry, orange zest and a touch of cassis - moderate intensity but precise. The palate is medium-bodied with good structure on the entry, good body in the mouth. As usual, there is more complexity here than almost every other Pomerol cru, with a lovely touch of spice towards the finish. This is very fine. (WA)

15395	La Violette	Pomerol		750	\$365.00		90			93
The La Violette has a voluptuous, decadent bouquet that pays little heed to the limitations of the growing season - everything that you expect from the late Catherine Père-Vergé's luxurious cru. I actually like the palate more than the last two vintages, the tannins filigree and the texture silky smooth with a gentle, seductive and poised finish. Gorgeous. (WA)

15033	Cheval Blanc	St. Emilion	Grand Cru (A)	750	\$695.00	17	93	92	94	95
Smoky aromas and layers of tannin and fruit give this wine great complexity. It is smooth, juicy and fresh while also having perfumed tannins and an elegant, lightly mineral structure from the Cabernet Franc. The wine's cherries and red berries are still encased in the structure, allowing it to develop slowly. (WE)

15374	La Confession	St. Emilion	Grand Cru Classé	750	\$58.95 \$51.95					
One of the excellent estates run by Jean-Philippe Janoueix, La Confession has grown in size and is now nearly 19 acres. Average vine age is 39 years and the 2013, which is one of the better wines of the vintage, is a final blend of 62% Merlot and 38% Cabernet Franc. It achieved 13.7% natural alcohol with only 48% of the crop making it into his top cuvee. A nice dark bluish, plum/ruby with hints of white chocolate, creosote, black currant and cherry fruit, the wine shows beautiful attack and surprising texture and ripeness in the mid-palate. The finish has sweet tannin and the wine has the potential to be outstanding and one of the stars of the vintage. (WA)										
15178	La Couspaude	St. Emilion	Grand Cru Classé	750	\$84.99	16.5	88		90	88
Not shy, pumping out dark plum, cherry and currant notes, inlaid with ganache and well-aged tobacco leaf details. The finish lets the ganache edge take over, giving this a slightly overdone feel. This has pulled together since the barrel tasting and will have some fans. (WS)										
15211	La Gaffeliere	St. Emilion	Grand Cru (B)	750	\$80.00	17+	89		92	94

Ripe and powerfully structured, this is dense with bold blackberry flavors and dark tannins that give a firm structure. However, as so often with 2013, it's the fruit that shines in this rich wine. (WE)										
15399	Le Dome	St. Emilion	Wine of Jonathan Maltus	750	\$184.99	17+			92	94
Initially closed, this wine just hints at its richness and perfumed character. As it opens it shows still-young tannins and intense black plums and blueberries that will develop as the wine ages. It is likely to mature well over the medium to long term. (WE)

14975	Pavie	St. Emilion	Grand Cru (A)	750	\$425.00		93	93	92	94
This has power but offers a greater display of purity overall, as the dense core of raspberry, cherry and plum preserves glides rather than rumbles, carried by a sleek structure before letting a fine chalky minerality linger on the finish.
